

# MINNESOTA DISABLED AMERICAN VETERANS

TIMOTHY S. O'CONNOR  
STATE ADJUTANT

---

Comrades,

First and foremost, I want to thank you all for another productive, successful, and dedicated year for the MN DAV and all of the members, veterans, and families of veterans we serve. I also want to thank all of you for your continued time and dedication to make our organization the finest in the nation!

As we start this new fiscal year and another year of continued service to our veterans, let's be vigilant and proactive to our ongoing task and mission. The strides made by the MN DAV over the past year have been tremendous. Our exposure, outreach, and service to our veterans in Minnesota are second to none. We lead the Nation in recruitment and volunteer driver miles; the two most important aspects of our organization.

With so many brave men and women currently serving our country and protecting our nation fighting in Iraq and Afghanistan, these are crucial times. We must continue to work for and achieve the rights and benefits that we continue to struggle to maintain year after year. We have a new generation of warriors that need our support now and for years to come, so I ask you that we make this year one of the most meaningful and productive years possible. Our business is serving veterans, and our mission statement holds true to this day; "Building better lives for America's disabled veterans and their families".

Never forget our mission statement and our purpose. Never forget the service and sacrifice that our comrades have given to our country, and never forget our heroes that never came home. God Bless you all!

Yours in Comradeship,

Timothy S. O'Connor  
Adjutant, MN DAV
